James O'Barr : The Crow: Skinning the Wolves before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Crow: Skinning the Wolves:

3 of 3 people found the following review helpful. Thank you James O'Barr By J. J McCulloch The Crow has always been a special book for me, and despite many spin offs, one good movie (and three crappy ones), very few people get it right. Nobody does the Crow like O'Barr and this book is both vintage Crow and something totally different. Like the original, its sad, sweet and bleak. It takes place during WWII in a Nazi concentration camp. If you like the Crow,

you must read this. I hope O'Barr continues to write more Crow stories.0 of 0 people found the following review helpful. ... to the original "The Crow" but I would definitely recommend it to anyone with a WWII interest or an ...By CustomerWasn't entirely sure what to expect from this book as opposed to the original "The Crow" but I would definitely recommend it to anyone with a WWII interest or an interest in the original novel or film.0 of 0 people found the following review helpful. It's nice to have a new Crow story but...By CustomerNot the best Crow story. The original is still the best read and I will recommend that over this book. The story is short, with little background or build up. The art is inconsistent, and I don't like that it's in color vs black, white, and greys.

James O'Barr returns to The Crow! In this three-part tale, O'Barr and artist Jim Terry craft a harrowing story set in a concentration camp in 1945 Europe. The night train is being unloaded. And one of the passengers is making a return visit...
