The art is a mix of awesome and poor art. The story is fun and different since its in that anti-hero perspective. The reason for 3 stars is because it has a good amount of bad art. But for the most part a good book. I don't regret buying this and I bought the rest of the series too.0 of 0

Something I didn't expect was some humor in the comic and I like that the most so far but it is mainly gruesome humor and sexual so for anyone who wants this for a child, don't buy this series. The Darkness is an older audience comic and would not recommend for kids under 14 even though the the book is MA kids these days do all kinds of things worse than read comics and Its not very graphic....yet. I am a gore fanatic and love graphic comics, novels, movies, and shows and this is defiantly something for the "evil" hearted. For anyone who loves the violence and graphic scenes of people getting there heads ripped from their bodies and peoples getting mutilated than I suggest buying and watching Hellsing Ultimate its a vampire's feasts in Britain. Its an anime so make sure to watch this in the English dubbed because of the character Alucards voice actor (you will get what I mean when you watch it. I will also suggest a website called [www.watchdubbed.net](http://www.watchdubbed.net) it has free streaming and you can watch a wide selection of anime.

Mafia Hitman Jackie Estacado was both blessed and cursed on his 21st birthday when he inherited the power of The Darkness, an elemental force that allows those who weild it access to an otherworldly dimension and control over the demons who dwell there. Forces for good in the world rise up to oppose Jackie and what his gift represents, but in this story, they are the bad guys! The sold-out origin story by Garth Ennis (Punisher, Preacher) and Marc Silvestri (X-Men: Messiah Complex) is presented here as part of the brand-new, redesigned "Origins" trade paperback line. This volume collects The Darkness Volume 1 #1-6, along with a cover gallery and behind-the-scenes material.
