If ur looking for a more searious comic this might not be what ur looking for but its gory as hell so u might like the gruesome horror

jokes0 of 0 people found the following review helpful. amazing art and a really interesting storyBy matthewgarth ennis and marc silvestri teamed up for one of the hottest comic properties ever! when they walked away from it, it very quickly went down hill. I had non-comic readers hooked on the ennis/silvestri stuff! amazing art and a really interesting story. highly recommend!0 of 0 people found the following review helpful. Epic Graphic Novel, Great ConditionBy JennArrived quickly and in wonderful condition- almost looked better than the first volume I picked up new at the store. It was a great read as well; definitely a must-have for any fan of the graphic novel series or games.
