One of the most underrated Horror comics of the past two years.By Alex gNever being a big fan of the character or any previous run (beyond the artwork), I was shocked by how original and phenomenally horrifying this series became under the creative direction of Hine Haun. This is a fantastic horror comic by any and all standards, with brilliant writing, art, colors, and lettering. You DO NOT need to be familiar with

the characters to enjoy this series (start at volume 1 of Rebirth). Do yourself a favor and check out the critically acclaimed run that deserves your attention. You will not be disappointed. 0 of 0 people found the following review helpful. AwesomeBy MattBest Darkness series to date, great horror, awesome supernatural stuff. David Hine and Jeremy Haun make a great team for this book.

BREAKING DARK Jackie Estacado has made a lot of enemies, but he has no idea how powerful the gangster Balakov has become. Without the Darkness at his command, will Jackie be able to protect his family? David Hine (Darkness: Four Horsemen, Bulletproof Coffin) and Jeremy Haun (Artifacts, Detective Comics) question everything you think you know about the Top Cow universe. Collects The Darkness #106-110.
