Have you been watching superhero animations and movies all your life? Have you been reading comics and graphic novels since you were a kid? Are you a comic book collector? Do you collect everything superheroes including but not limited to comic books, graphic novels, action figures, cards, posters, books, price guides, etc.? Then this encyclopedia is essential to own for you! They may call you a geek but Superman #1 (DC) just sold for \$ 100,000.00 and basically same goes for Captain America (Marvel)! Buddy, you have an investment sitting in your garage cabinets! You have your comic books well organized and neat on top of white cardboards inside plastic covers, ordered by alphabet in rectangular presume cardboard boxes with file numbers and you even designed your cardboard boxes with pictures, logos and alphabetic writings! They may call you a nerd but you have a fortune sitting your garage which you have been collecting since you were a kid. You are well

invested and you are a rich geek! So who gets the last laugh?! DC Encyclopedia is made for you! Everything you need to know about DC Universe is in there! All the good herbs and spices are in there! All them goodies and super secrets are in there! All the superheroes and super villains dirty laundries are in there! All the dirty secrets are in there! All them oodles and oodles of juicy info plus colorful images are in there! There's Gold in them thar hills! This book is awesome. It is a hardcover, collectible coffee table book for serious collectors and thirsty enthusiasts for information. It is loaded with pictures, colorful images, tons of information, background info, specifics and details about each character and each Superhero or Super Villain group. It has boxes with detailed historical information, personal information and power levels on each character and then description of their complete lives. It has the complete history of each character described to the bone! The format is awesome, the images are colorful, the binding is professional and the paper is classy, thick and shiny! It is a very superb and valuable collectors item to collect for every Superhero enthusiast and fanatic. This book will review your whole memories of superheroes since childhood and gives you new perspectives and new information on the DC Universe. This encyclopedia is essential for your collection and for your never ending thirst for knowledge of the DC Universe. I have a few suggestions for you serious collectors: I. Only collect Marvel and DC because unlike the rest, they go way up in value. II. Keep on collecting but be wise on what to collect because the right Comic Book collection is like Stock Market or money in the bank! III. Buy this book because it is essential for your collection, so you know your stuff and what to collect and read. IV. Buy this specific edition because it is the most comprehensive, complete and well made edition available. Now you know the deal, so purchase this book to become the Master of the DC Universe! Bon Appetite!

By K. Pring
I originally had the DC Encyclopedia without the expanded updates and I have to say I like the updated information the larger book provides, what I think they did, however, war remove some of the character (doing a side by side comparison) to make room for the newer characters and/or thier discriptions. Overall it is a great book, I do think the next expansion should be just a separate, smaller book with the new material in it like the Watchmen world and the new "Before Watchmen" series they've started as well as the revamp for the NEW 52, (which I a very much enjoying for those who wonder), thanks for reading folk, have a nice day!

Great Buy

Following the success of the first edition, the updated and revised DC Comics Encyclopedia offers even more incredible DC detail and imagery than the original. 48 brand-new pages include major updates on characters and storylines (including the recent "Infinite Crisis" story arc). This spectacular, up-to-the-minute encyclopedia will delight comic fans of every age.

"For the serious DC Comics fanboy whose collection includes all the greats
The DC Comics Encyclopedia is a must."
The Washington Post
"lovingly documented with gorgeous drawings and enough blow-by-blow detail to satisfy completists."
The Dallas Morning News
