The classic relationships are in this manga as well as trophs. If you love those kinds of things then great. As for plot it is simple but it will cover the need for sweet cute love story as well as fantasy action. As for the artwork it is beautiful and worthy of adding an extra star to the rating.1 of 1 people

found the following review helpful. OK, but not greatBy ianIt's okay. The style is really cute, and most of the stories are really cute and funny. But at the same time, the characters are a bit flat and their interactions get a bit predictable, even in just one book. Not the most riveting or interesting story, but sweet.1 of 1 people found the following review helpful. I'll admit the romance is a bit rushed, but ...By CgatesI'll admit the romance is a bit rushed, but I'm in for the ride and the Nue is hot- it's just what you're looking for if you're into the reverse harem thing.

On her sixteenth birthday, orphan Himari Momochi inherits her ancestral estate that shes never seen. Momochi House exists on the barrier between the human and spiritual realms, and Himari is meant to act as guardian between the two worlds. But on the day she moves in, she finds three handsome squatters already living in the house, and one seems to have already taken over her role!
