I'm so happy to see the main characters finally being cute together but now I'm worried about what turn of events is about to happen. Very good read and the plot, characters, and art also make this story well worth it to add to your list of must-haves.1 of 1 people found the following review helpful. Great story! amazing art!By Ana RivasI decided to give a chance to this story and I dont regret it. I had to buy volume one

and two since I tend to read mangas really fast... after two days I finished both so Im planning to buy the rest soon! The story is interesting a supernatural shoujo manga. I would totally recommend it. Good art and story. The packaging was good and the mangas came in prefect conditions.0 of 0 people found the following review helpful.
