This book collects THE DEMON #40 #42 through #49 plus THE DEMON ANNUAL #2. From the minds of Garth Ennis John McCrea who took over the series respectively

after Alan Grant Val Semeiks exited. The direction of this particular story arc is very much hyper with dark humored overtones which truly fits this character it doesn't stray very far from what Alan Grant had been doing. This is an awesome character with some of the craziest stories with gorgeous art from Mr. MCreas. This is the more mystical surreal bent area of the 90's DC Universe. Great stuff here. 0 of 0 people found the following review helpful. Some fun with HitmanBy Reviewer from TerraI got this specifically to read about more of Etrigan's doing with Tommy Monaghan, AKA Hitman. Some of it is really fun, and some is just ok. Worth reading. 0 of 0 people found the following review helpful. Five StarsBy stan measeawesome collection by one of thee best writers ever and mcreas art is killer

Garth Ennis and artist John McCreas legendary run, featuring the origin and first adventures of their acclaimed super-powered assassin, Etrigan! For nearly two thousand years, Jason Blood has served as a living host for the demon Etrigan. In return for his longevity, he must bear the burden of unleashing Etrigan against any Earthly incursions from his fellow Hell-spawn and their mortal collaborators as well as watching the innocent and guilty alike suffer his all-consuming wrath. On the mean streets of Gotham City, however, the innocent are in short supply. Corruption oozes from every corner, and the rotten fruit that it bears is too great a temptation for the denizens of the underworld to resist no matter what the laws of God or man command. Such defiance cannot go unpunished. Luckily, one fiery fiend stands ready to strike back and restore the balance of terror freshly commissioned by the lords of the damned as HELLS HITMAN. Collects THE DEMON #40 and #42-49 together with THE DEMON ANNUAL #2.

About the Author Garth Ennis has been writing comics for twenty years, initially for British titles like 2000 AD and Crisis, then for various American publishers.
