Jack Davis : The EC Archives: Tales from the Crypt Volume 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The EC Archives: Tales from the Crypt Volume 2:

2 of 2 people found the following review helpful. Everything Is As It Was Save The Back Covers By James Elfers The EC gang really hits their stride with this volume. No longer an experiment for E.C. publications, "Tales From The Crypt" was, by this time, an established comic with very good sales. The quality of this reprint is first class. The binding and reproduction are of the absolute best quality and the paper is the finest. Everything is as it was except the back covers. The stories are occasionally dumb and dated, but must have been cutting edge when published. Other stories retain their vintage creepiness. If you want to see what all the fuss was about E.C. Comics you owe it to yourself to purchase these wonderful reprints. Since you get the entire magazine you get the side features and the fan letters, showing what a polished publication this series is. Highly recommended. 0 of 0 people found the following

review helpful. A fun and inexpensive way to travel back in timeBy electroaddictAbsolutely wonderful collection!
This book is fantastic from start to finish. The quality, the artwork, the stories... it's all amazing. I look forward to buying more of these EC Archives books in the future.1 of 1 people found the following review helpful. ... the crypt has got to be one of the best books ever to come out we would like a ...By arthur cboyumtales from the crypt has got to be one of the best books ever to come out we would like a lot more of them.

More classic horror tales written and illustrated by the all-star line-up of Al Feldstein Wally Wood, Jack Kamen, Johnny Craig, Joe Orlando, Graham Ingels, and Jack Davis!

Praise for previous volumes of the EC Archives from Dark Horse:"It should go without saying that any fan of comics should own these, but really, EC's horror comics are an essential piece of the puzzle for any fan of the horror genre, literary or cinematic." -Den of Geek"The upcoming hardcover edition of this collection is a must-have for any fan of not only classic horror, but Golden Age America." -Wicked HorrorAbout the AuthorThe EC comics the EC Archives reprint featured numerous writers and artists most of whom are now deceased. The author lives in Various.
