**Various : The EC Archives: Tales from the Crypt Volume 5** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The EC Archives: Tales from the Crypt Volume 5:

7 of 7 people found the following review helpful. Buy this if you don't already have this material but the color-haters have a point. By Sym These stories are essential. I think the debate about the coloring is interesting and that Dark Horse can be doing better if they listen to the critique. It's possible to make modern coloring look good on this material but it requires a light touch. Dark coloring could detract from some of these old issues when it was employed back then too. But DH's colorist likes to use colors to affect shadowing on this material where the inking is already indicating a shadow effect. I've noticed that certain artists suffer more than others from this coloring artist's method. Graham Ingles looks so much better in bw or with older coloring. Johnny Craig would look crisp and perfect even if my five year old daughter colored it in with crayons but he's a god. I'm grateful to DH that they've taken over this project and we can

expect to see the entire new trend books hard bound in color but I'd be lying if I said this was a perfect package. I buy all EC related material and I hope DH makes money and keeps releasing these either way but I'd dance a jig if they'd lighten up on the the coloring.0 of 0 people found the following review helpful. If you love 1950's materialBy Matthew W. WilsonMore comic book reprints. This time The EC Archives. I'll say this...If you love 1950's material...It's a crime to not have this book in your collection. EC material is unmatched...even to this day!! Love it.0 of 0 people found the following review helpful. Love ThisBy CustomerGreat Book. Fun Read

Dark Horse Comics is proud to bring you more creepily classic Tales from the Crypt! Digitally re-colored using Marie Severin's original colors as a guide, this twisted tome features stories drawn by the unforgettable artistic talents of Jack Davis, George Evans, Jack Kamen, Graham Ingels, Reed Crandall, Bernie Krigstein, Bill Elder, and Joe Orlando!

About the AuthorVarious writers and artists worked on these comics.
