I love EC, but am tired of having a spotty collection with giant gaps in it! It's the same for each title...random volumes have copies available on Kindle (Crypt 2 5, Haunt 2, 3 4, etc.)! Being a huge fan, I purchase them, patiently hoping the others will come soon.I am severely disabled, and can no longer read physical copies. I rely on Kindle immensely, as my activities are extremely limited. It seems that many comic companies are lackadaisical and hit miss when it comes to their Kindle publications (I suffer the same way with Marvel Masterworks and Creepy Archives)...it's really disappointing. (The 5 rating is for the quality of EC Archives in general, NOT the product...cause Haunt 1 isn't on Kindle either!)

The EC fount overfloweth! Collecting issues #15-#17 and #4-#6 of the classic Haunt of Fear horror series, and featuring gorgeous new digital colors that use Marie Severin's original palette as a guide, this volume includes unforgettable stories drawn by all-star comic artists Johnny Craig, Al Feldstein, Harvey Kurtzman, Harry Harrison, Wallace Wood, Graham Ingles, Jack Kamen, and Jack Davis!
