**Nick Spencer : The Fix Volume 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fix Volume 2:

all the wrong people, trying different angles to get out of debt to a bigwig nasty-piece-of-work criminal. One involves trying to find the murderer of an actress, another involves befriending a drug-sniffing dog. The illustrations are OK without being special. A second volume which is not particularly motivating and I've decided that this series is for me: not engaging enough and no sympathetic characters.

Roy meets the Mayor. Collects THE FIX #5-8.
