You get to see some more of the ongoing mystery of DC Rebirth and an awesome new villain in Godspeed, the art is excellent too.2 of 2 people found

the following review helpful. A good time wrapped in a great packageBy Joshua ReadThis was a really fun read. While Barry may not be the best version of The Flash (thanks to Waid, Morrison/Millar, and Johns' wonderful tenure on Wally West Flash), Williamson does an excellent job making him a good character. I would have preferred to see a little more of Barry's personal life, since a lot of his time is spent on more..professional matters, but not every comic is going to be exactly what I want it to be. Although, the last issue in the deluxe edition is perfect in that regard. Really good stuff.Art is primarily done by Carmin Di Giandomenico. His art is not detailed or super clean, but it works brilliantly here with his wonderful kinetic style, especially when combined with Ivan Plascencia's amazing color work. Also here is Neil Googe, who is the other main Flash artist, and his stuff will be more universally loved. It's superb, as is fill-in artist Felipe Watanabe.As for the deluxe edition itself, we get Flash Rebirth #1 one-shot and Flash #1-13. Under the dust jacket is some great printed art on the cover boards. Binding is sewn beautifully and lays flat very well. Paper is thin (but not Marvel trade paperback-thin) glossy. Extras are sparse, but they are there; some variant covers and a few pages of sketches.

The creative team of Joshua Williamson and artists Carmine Di Giandomenico and Neil Googe proudly present THE FLASH: THE REBIRTH COLLECTIONDELUXE EDITION BOOK ONE! Exploding from the pages of the blockbuster DC Universe Rebirth event, this hardcover collects the first two paperback volumes of the acclaimed series together in one volume for the first time! The Speed Force that fuels the incredible powers he uses as the Flash has been unleashed upon the unsuspecting citizens of Central City, creating an entire army of speedsters. Even if the Flash trains a new team of metahuman crime-fightersa true speed forcewill it be enough to combat criminals who have the same godlike powers? Plus, when Kid Flash decides to prove his abilities to Barry by investigating reports of a strange creature made of shadows in downtown Central City, he finds himself in a whole world of trouble...literally! Suddenly, Flash, Kid Flash and Iris West all become trapped in the Shadowlands of Flash's old nemesis turned ally the Shadeonly the Shade is no longer in control of his own shadows. Includes THE FLASH: REBIRTH #1 and THE FLASH #1-13!
