I'm a big DC fan but skipped the first two volumes and may have skipped this one if I could do it again. Would have started with vol 40 of 0 people found the following review helpful. Another Nice ReadBy KennethI loved the artwork and I found the story interesting. Good quality book
By Emilia
We bought these for our 6 year old son for Christmas. He has gotten very much into graphic novels and comics and this seemed like it was age appropriate for him. He loves them. The books are good quality and should last as long as he takes care of them. Pictures are colorful and bright, dialog sufficiently explains what is happening in the story line. Overall, we are pleased with the purchase.

In his hometown of Central City, The Flash--a.k.a. Barry Allen--is constantly deflecting the criminal schemes of his Rogue's Gallery. Money hungry, cunning and powerful, these villains have the Scarlet Speedster running at a pace faster than even the world's fastest man is used to. But when Gorilla Grodd and his army descend on Central City, The Flash will have to contend with a threat he's not used to: murderous, ruthless and without principle. With mammoth strength and mind-control powers, Grodd will not stop until he conquers the city with its heroes blood on his hands. Knowing full well he cannot defeat this new foe alone, The Flash will have to turn to his former enemies, the Rogues, if he wants to keep himself and Central City alive. **THE FLASH: GORILLA WARFARE** is the third hardcover graphic novel from the best-selling creative team of Francis Manapul and Brian Buccellatto. Collects **THE FLASH** #13-19. Collects issues #9-12, #0, and Annual #1.
