Begin at the beginning and enjoy the feast ahead of you!0 of 0 people found the following review helpful. Its a fantastic book, in a great seriesBy mollyIts a fantastic book, in a great series. It wraps everything up nicely and you feel good about how the characters end up. As always the art is beautiful and the story amazing. Only thing i wish was that there was a better translation because some of the meaning is lost through it.0 of 0 people found the following review helpful. Five StarsBy CustomerCame

About the Author Arina Tanemura began her manga career in 1996 when her short stories debuted in Ribon magazine. Tanemura gained fame with the 1997 publication of ION, a high school romance with a supernatural twist. From 1998 to 2000, she worked on the popular series Kamikaze Kaito Jeanne, about a young girl who is the reincarnation of Joan of Arc, followed by Time Stranger Kyoko in 2000/2001 and Full Moon in 2002. Despite Tanemura's intentions to draw in a style that makes her stories difficult to animate, both Kamikaze Kaito Jeanne and Full Moon have been adapted into TV series.
