I read through this in less than an hour - that's how enthralled and invested I was in the story, wanting to see what dark spaces Lisbeth was dropping herself into. Plenty of subterfuge and provocation to keep your

In this graphic novel adaptation of Stieg Larsson's *THE GIRL WHO PLAYED WITH FIRE*, Mikael Blomkvist, crusading publisher of the magazine *Millennium*, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.
