**Jason Aaron : The Goddamned Volume 1: Before The Flood** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Goddamned Volume 1: Before The Flood:

2 of 2 people found the following review helpful. and appreciate great writing.By Ret.SGM H RomanCompletely unexpected...Wow...wont give anything up...not the plot..nothingIf you are a historian..and appreciate great writing....this is for you...0 of 0 people found the following review helpful. One word, for anyone reading this; Rough! And can't wait for the next volume.By Rick AndersonRough. That's the word I would use to sum up this book. This is

not for the faint of heart or those easily offended. This is a bare bones, brass tacks, cards on the table, beautifully rendered story of what the world might've been like before the Biblical Flood. And I could not put it down. This may sound strange when you consider that I'm a Christian, but I'm always ready to read or see something that might give me insight to my faith, and that's what Jason Aaron does. Yes there's some liberties taken that go against the good book (such as Noah being a religious fanatic), but that only makes me want to see what direction Aaron takes even further. For those looking for a great apocalyptic story, this is for you. Just keep, an open mind.0 of 0 people found the following review helpful. Good story line.By Above The RimI love old testament stories. The writer has really embellished the plots and characters. I'm not a believer but I can definitely get into this. The art is very energetic, a bit chaotic and haphazard but it fits the story. My main complaint is it was really short.

"And the earth was filled with violence."--Genesis 6:11Its 1655 years after Eden, and life on earth has already gone to hell. The world of man is a place of wanton cruelty and wickedness. Prehistoric monsters and stone-age marauders roam the land. Murder and destruction are the rule of the day. Humankind is a failed experiment. This is life before the Flood. The story of man on the verge of his first apocalypse. Welcome to the world of THE GODDAMNED.Writer Jason Aaron artist r.m.Gura, the creators of the seminal crime series Scalped, reunite for a new ongoing series of stark and brutal biblical noir.Collecting issues 1 through 5.
