Funny, irreverent and beautiful to look at, but enough about my wife, this book was awesome.0 of 0 people found the following review helpful. The Goon is a fun, crazy setting with tough-guy protagonistsBy Preston P. DubosePicked up this book because it was recently turned into

a roleplaying game for the Savage Worlds system and I wanted to see what it was all about. The Goon is a fun, crazy setting with tough-guy protagonists, zombie antagonists, and a giant spider who hangs out at the corner bar and plays poker. Picking up the library volume was a good move on my part, and I'm looking forward to getting volume 2 in the future. 1 of 1 people found the following review helpful. Awesome! By H.D. What a killer price for the first massive volume of the HC Goon library. This thing is big! And beautiful. Collects many books and is a good size to read.
