Eric Powell : The Goon: Volume 0: Rough Stuff (2nd edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Goon: Volume 0: Rough Stuff (2nd edition):

Dark Horse Comics brings you the origin of Eric Powell's The Goon, the earliest stories published for the very first time in color!The Zombie Priest has just set up shop on Lonely Street and intends to build an undead army, and the

Goon's the only man who can stop him. His early battles with the undead are mixed with stories of the Goon's youth, as we meet his circus-freak clan and learn how he came to be the head of a notorious crime family. Also included in this volume is a look at the creation of the Goon and his world with a special "Evolution of The Goon" sketchbook section. "The Goon, in short, is good, and Powell's artwork will leave you drooling like an undead ghoul at a brain buffet." --Entertainment Weekly
