Brilliant, moving and thoughtful. A shift in gear from the other books. I would compare this book to Chinatown in both style and quality of writing.

Goon finally settles things with some old rivals. There is both pathos and humor in this volume.

"After the tragic events of Occasion of Revenge, the witch coven believes that control of the unnamed town will soon be in their grasp and the Goon's tragic soul will contribute to the curse that increases their power. But has their plot destroyed the Goon or created a monster too savage for them to withstand? Once upon a Hard Time is a climactic miniseries that has major consequences for the Goon and his supporting cast. If you're a Goon fan, you can't miss this."
