Five Stars By MLove all of "THE GOON" books!! 0 of 0 people found the following review helpful. Gotta have the Goon. By Brian Mccusker Been reading the Goon since it came out and finally had decided to buy the volumes. Highly recommend to anyone who likes comics and/or hilarious reading. Hopefully that movie ends up coming out one of these days.

Eric Powell, multiple Eisner Award-winning creator of The Goon, teams with acclaimed colorist Dave Stewart to bring this tale of humor, horror, and heartbreak to a close. Prepare for the usual weirdness as only Powell and The Goon can provide: the living dead (children, priests, and pretty ladies), pretty living ladies, gypsies, backwoods children... "dogs"... crazy-weird cats, pimps peddling animal love, animals on the receiving end of said animal love, evil Shredded Wheat-men, more-evil undead burlesque-house owners, guys with tails, a woky (a woky?), and more!
