From Oxford University Press : The Handbook of Rural Medicine in Australia before purchasing it in order to gage whether or not it would be worth my time, and all praised The Handbook of Rural Medicine in Australia:

The Handbook of Rural Medicine in Australia is the definitive resource for Australian medical students studying rural medicine. It is an invaluable reference for doctors undergoing postgraduate training in rural and remote areas.

About the Author David Wilkinson is at School of Medicine, University of Queensland. Richard Hays is at James Cook Medical School, James Cook University.
