Insight Editions launches a unique new journal concept with two highly original titles: Batman Journal and the Joker Journal. In the midst of committing another fiendish crime, the Joker jots down his deranged thoughts until the Dark Knight arrives to foil his plans. That's where you come in! This ruled journal contains several pages of notes and sketches created by the Joker, before giving way to blank ruled pages on which you can jot your own notes. Atmospheric, engrossing, and designed with a dynamic in-universe aesthetic, this journal lets readers feel like part of the Joker's world! With sturdy construction and sewn binding, this journal lies flat, and the 192 ruled, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. Includes a ribbon placeholder, elastic closure, and 7.5 x 4.5 inch back pocket, perfect for holding photographs and mementos.
