Eiji Otsuka : The Kurosagi Corpse Delivery Service: Book One Omnibus (Kurosagi Corpse Delivery Service Omnibus) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kurosagi Corpse Delivery Service: Book One Omnibus (Kurosagi Corpse Delivery Service Omnibus):

Five students at a Buddhist college in Japan realize the job market is tough these days...among the living, that is! But

their unique spiritual and scientific talents might help them get work from the dead, for they can contact the spirits of corpses and speak with them. And if a body is found hanging from a tree or lying in an alley, it's probably got a story to tell! The five form The Kurosagi Corpse Delivery Service, specializing in carrying out the last wishes of their dead clients, so their souls can move on. But the Kurosagi gang are magnets for weirdness--not just corpses--and every case gets them involved in disturbing personal obsessions, bizarre modern Tokyo fads, and strange rituals of old Japan...and often all at once!
