Eiji Otsuka : The Kurosagi Corpse Delivery Service, Vol. 12 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Kurosagi Corpse Delivery Service, Vol. 12:

Your body is their business! Five strange, young students at a Buddhist university find little call for their job skills in today's Tokyo among the living, that is! But all that stuff in college they were told would never pay off gives them a direct line to the dead the dead who are still trapped in their corpses and can't move on to the next reincarnation. The five form the Kurosagi Corpse Delivery Service: whether suicide, murder, accident, or illness, they'll carry your body wherever it needs to go to free your soul! In Volume 12: Second Death, two bodies found in the woods one not-quite-

departed, the other horribly mutilated lead the Kurosagi Corpse Delivery Service to investigate a private online community. The virtual world offers you the chance to do all kinds of things in simulation that you couldn't do in life... but are you sure everyone playing is still alive?
