Linda J. Smith : The Lactation Consultant in Private Practice: The ABCs of Getting Started before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lactation Consultant in Private Practice: The ABCs of Getting Started:

3 of 3 people found the following review helpful. VERY useful book!By mom-o-twoIf you're considering whether or not you want to go into practice as a private LC, this is a great book to have. Real life experiences from several professionals to help you determine if it's really for you, to what extent, and great guidance to give you a start. I'm sure this will be an invaluable reference tool for anyone in the field of Lactation Consulting.15 of 15 people found the following review helpful. Invaluable resourceBy D. GillespieThis book is such an invaluable resource for anyone considering going into private practice LC work. Ms. Smith covers the good, the bad, and the ugly of the job, not to mention discussing ways of avoiding many potential pitfalls. Her style of writing is easy to follow and conversational,

making it a pleasure to read. It's like having my own mentor sitting on the nightstand ready to help.0 of 0 people found the following review helpful. Five StarsBy Dianna L. MooreGood information

This is a user-friendly orientation and guide to the lactation consultant profession for those interested in running a full-time, profitable, and long-term lactation consultant practice.
