Brilliant Enjoyable Artwork!By Kindle CustomerManara is a great artist and I am thrilled to finally be able to own this collection of his works from so many years ago!

Milo Manara's uproarious character Giuseppe Bergman is back and still looking for adventure in all the wrong places! In stories spanning from 1989 through 2004, Bergman attempts to hold himself together while starring in a film with a vanished director; looks after a young woman with an irresistible urge to reenact classic European paintings; and sails the Mediterranean on a journey re-creating the legendary voyage of Odysseus! Manara's artwork and satirical voice are both in top form, making these stories among his funniest, sexiest, and most beautiful!
