Hickman tale. Be aware that it could be considered a side tale to the Manhattan Projects. It tells the story of Yuri and Laika in deep space. Nick Pitarra's artwork also continues to entertain.0 of 0 people found the following review helpful. Great SeriesBy Brian WilkinsonI love the idea behind this series. Its like Rick and Morty but in comic book form. Definitely check it out.0 of 0 people found the following review helpful. Great series.By Cody LuceI love this series. It's so intense and out of this world. The illustrations just add to the story. Making it all the better.
