It doesn't matter who you are. Once you put on The Mask, you're a homicidal lunatic with a bad taste for bad jokes and seriously deranged violence. And nothing -- but nothing -- can kill you! When her boyfriend Stanley died, Kathy thought the weird mask had been lost forever. Now gangsters are dying like flies, victims of everything from comic-book bombs to crossbow shafts, and she knows that somehow it's back. Only Kathy can stop the rampage, but first she has to get around the gangwar erupting around her, the new Mask -- whoever he is -- and the worst bad-guy of all, Walter!
