Dame Darcy : The Meat Cake Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised The Meat Cake Bible:

2 of 2 people found the following review helpful. Gorgeous tome of treasured and memorable comicsBy S. Tess HannahI discovered Meat Cake comics when I was 15 and fell instantly for the idiosyncratic, vibrant characters, the beautifully intricate ink-drawings and the stories, dreams and adventures each issue presented. The aesthetic Dame Darcy creates and displays is alluring and compelling; I always wanted more Richard Dirt and Wax Wolf. I couldn't wait to read the block under Strega Pez's chin and wondered if Friend the Gil would be back soon. I ate up all of the ghostly tales, the divisive friendships, the brazen insults, the star-crossed lovers and wicked fables that each issue brought. Now, I have them all with me, safe in this gorgeous book that I can stare at for hours!

This updated collection of Dame Darcys gothy, punky comics includes her collaboration with Alan Moore. Dame Darcy is one of the sui generis artistic talents of the past two decades musician, actress, fortune teller, dollmaker, Gen X/feminist icon, and last but not least, cartoonist to the core and has been bewitching readers for over 20 years with

her neo-Victorian horror/humor/romance comic Meat Cake. Alternating between one-off (often cruelly tragic) fairy tales and ongoing romps starring her eclectic cast of characters, including Effluvia the Mermaid, the roguish rou Wax Wolf, Igpay the Pig-Latin pig, Stregapez (a woman who speaks by dispensing Pez-like tablets through a bloody hole in her throat), the mischievous Siamese twins Hindrance and Perfidia, Scampi the Selfish Shellfish, the stalwart Friend the Girl, and the blonde bombshell Richard Dirt, all delineated in her inimitable luxurious scrawl, Meat Cake is like a peek into the most creative, deranged dollhouse you ever saw. The Meat Cake Bible is the definitive collection of the series, collecting every story from all 17 issues (1993-2008) including Hungry Is the Heart, Darcys legendary collaboration with Alan Moore as well as new stories from the unpublished 18th issue. Black white with 32 pages of color.

You pull it open, and there is so much energy shooting out. Like anything very bright, you have to let your eyes get used to it. - Bitch Magazine Meat Cake helped set the aesthetic tone of the hothouse 1990s. - NPR This tome cements it. Dame Darcy is an irrevocable part of comics history. - Portland Mercury These comics, full of pointy tits, ghosts, scary dolls, and Victorian dresses, influenced a generation of women artists. Rapists are attacked, friendships are made, and dolls are possessed. - The Comics Journal Rhapsodic, romantic, sexy, silly, and macabre all at once. - The Observer About the Author Dame Darcy, born in Idaho in 1971, is an illustrator, painter, animator, actress, musician, and reality show star. Her comic book Meat Cake has been published by Fantagraphics Books since 1993. She also contributed to The Illustrated Jane Eyre with Penguin in 2006, Comic Book Tattoo with Image in 2008, Gasoline with Merrell Publishers in 2008, and Handbook For Hot Witches with Holt in 2012. She won a scholarship to the San Francisco Art Institute in 1989, where she studied animation and majored in film. She also has her own fashion label in Japan. She lives in Savannah, Georgia.
