Al Rundio PhD DNP RN APRN NEA-BC DPNAP : The Nurse Manager's Guide to Budgeting and Finance
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nurse Manager's
Guide to Budgeting and Finance:

1 of 1 people found the following review helpful. Five StarsBy carl kirtonexcellent1 of 1 people found the following
review helpful. This series of books are great! All have been very helpfulBy Amanda BessetteThis series of books are

great! All have been very helpful!!! Great read for anyone in a nursing leadership position! 2 of 2 people found the following review helpful. Nurse Manager Book By PnutExcellent book. Easy to read with a lot of great information. Good overview of the changes in healthcare. Would recommend.

Nurse managers are expected to know and do it all. The nurse manager must not only possess clinical knowledge and the managerial skills of hiring, firing, inspiring, but also plan for budgeting and finance. The Nurse Manager's Guide to Budgeting Finance will help provide essential information about the financial aspect of running a nursing unit. This is the second in Sigma Theta Tau International series of practical handbooks for nurse managers.

About the Author Al Rundio, PhD, DNP, RN, APRN, NEA-BC, DPNAP, is an experienced clinician, administrator, and educator.
