By IamSquid This is something of a guilty pleasure of mine. One would think that I - a huge fan of the uber-serious, Garth Ennis Punisher that appears in the Max imprint - would hate this story, but its actually a lot of fun (and the epilogue is perfect for fans of the uber-srious Garth Ennis Punisher that appears in the Max imprint). I recommend it!

By Tim Come on, you must know Frank Castle couldn't live forever. Why not come back as a reanimated corpse?! Some reviewers think they 'jumped the shark' on

this, but hey! it's all fun! At the least, it's no worse than Marvel Zombies. Lots of appearances by Marvel superheros and characters from The Punisher stories.0 of 0 people found the following review helpful. Five StarsBy MolFAST shipping! Would buy again and again.

Hundreds have tried, but only Daken succeeds in killing Frank Castle...but even in the face of death, the Punisher won't stay down! With his remains stitched back together into a heap of scarred flesh and machinery, the Punisher is reborn as the terrifying monster Franken-castle!
