He is also being targeted by the Howling Commandoes. The Cartel is being helped by Aim and have one of his own eneimies is also the muscle and hired help. Punisher is very smart and is not afraid to die. A good book to have if you are a Punisher fan2 of 2 people

found the following review helpful. Punisher NOW!By Alexi WhitmoreI enjoy this version of The Punisher. It's not the usual Punisher which has focused on mayhem and dark humor. This is a more calculated "black ops." Punisher who more closely resembles a Navy S.E.A.L than a mercenary. A modern re imagining of a Marvel icon, with surprises to keep more classic comic book entertainment. Nice work!0 of 0 people found the following review helpful.
