**Nathan Edmondson : The Punisher Volume 2: Border Crossing** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Punisher Volume 2: Border Crossing:

4 of 4 people found the following review helpful. Great read. Presents the the character in such a ...By Patrick BrocksmithGreat read. Presents the the character in such a way that could possibly have him eventually fit in the

Marvel MCU. He's a little bit different here than he's been presented in the past, but still the brutal killing machine nonetheless. Continuing the story arc which began with *The Punisher Volume 1: Black and White*, Frank finds himself entangled in jungle warfare south of the border and has to make his way back to L.A. The story is action packed. The art is great and there's a cameo in there which reprises a character introduced in the Greg Rucka run of the Punisher. Overall, a great read and the ending leaves you clamoring for more. 3 of 3 people found the following review helpful. Very good Punisher book ! By Hotmuscleman Very Good Punisher book ! I enjoyed it. It has plenty of action and adventure. The story picks up where *The Punisher: Black and White* left off. I do not want to give anything of the book away. So just get a copy today Punisher fans and you won't be disappointed. 1 of 1 people found the following review helpful. Good not great By Customer Good not great...cool continuation of Rucka's Punisher books but it's not the hardcore gritty Punisher from the Garth Ennis books which are my favorites. Still keeps you interested if you love the character though

Best-selling author Kevin Maurer joins Nathan Edmondson for a story of jungle warfare! American soldiers are being held by a South American drug lord, when suddenly a new prisoner arrives...Frank Castle! But not all is as it seems on either side of the bars, and now a wounded Frank and a Special Forces medic must hazard dangerous terrain and merciless mercenaries to escape! Then, the Punisher finds himself fighting alongside - or against? - Black Widow for access to a deadly criminal network. But can either survive being trapped on an abandoned oil tanker with Crossbones and his Skull Squad? And back in LA, a new crime lord with a personal vendetta against Frank Castle has arisen!
