Five StarsBy Christopher BakerGreat ook and very insightful and helpful.0 of 0 people found the following review helpful. Five StarsBy Terry A AllbrightExcellent resource

Physicians today may face more stress than any other group of professional. Long hours, continual training, and

constant change in their personal lives and in the medical workplace only complicate their already stressful lives. Learning to cope effectively with these pressures will help physicians - and their teams- to achieve greater personal satisfaction, higher productivity, and better patient outcomes.
