The Road to Civil War has a lot of controversial points that make convincing arguments on both sides of the issue on hand. Although the comic doesn't force the reader to choose a side it does add to the fun and joy of reading on

A road with a missing bridgeBy K. ThomasThis seemed like something that was just pieced together. There wasn't much of a road. Offers a collection of volumes of New Avengers: Illuminati; Amazing Spider-Man (529-531); and Fantastic Four (536 and 537).
