Akira Hagio : The Secret Sakura Shares before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Sakura Shares:

0 of 0 people found the following review helpful. Good readBy Maui RissThis was cheaper than in stores! Great quick story, bought while traveling so was perfect. Story is like a mix of maid sama meets host club, really cute.4 of 4 people found the following review helpful. Gotta to Share This SecretBy P. RomanceCraving a sweet romance between 2 wealthy high school students? With just a right amount of drama without getting overly complicated? Happy ending?You have it all in this luscious volume. I have to admit I was surprised by how much I liked it. The plot was simple. Our heroine, Aoi, was forced to live as a pet cat to Kei, our hero, as a form of payment for her grandfathers

debt. But his reason for owning her were not as she thought. The plot seemed ridiculous but just go with it. It was brought up at the beginning of each new chapter to remind you but it became less and less important as the manga progressed. It was just your basic shoujo with an unorthodox way for the hero and heroine to meet. There was a new character introduced in each chapter to create the friction needed to push the plot along. The artwork was very reminiscent of Ouran Host Club. My guess was that mangaka has probably worked with Hatori Bisco before. All the characters were all likeable, which is an antithesis for me. The heroine does become more useless with each chapter, but I never developed contempt for her. The author did an amazing job of making me like her. Kei was a tsundere and was just adorable. I love his backstory, which made him unique. I also liked the fact that this manga is complete. You dont have to wait months and it is in one convenient volume. Overall, it was good. Really good. If you are a fan of Host Club, I suggest picking this one up. If you just like sweet romances, this is perfect for you. The plot is not original, but I love predictable stories. So, if you are looking for something hot and fresh, pass this one by. Good pacing, clean and lovable characters. Im definitely keeping this little gem. 0 of 0 people found the following review helpful. Very goodBy Jude~4/5I was pleasantly surprised with this book. When Aoi is left with a large debt, shes taken in with her dog as a pet to Kei. But instead of it being a slave-like life, shes taken care of like a real petgroomed, pampered, treated with love and care. Even if she protests it and feels like she doesnt do enough, Kei wants her there and he likes having her as his pet. While I do think that Aoi should have spoken up, tried to do more if she wanted to, I liked their relationship. I think that Kei treated her well, and that they had good chemistry. I like how he protected her, even pretending to be gay for appearances. This was a sweet shojo series, relatively sweet and romantic without any real physical stuff, with a simple plot. I enjoyed it a lot, and hope more like it are picked up. I also liked how it was released in omnibus format, all in one volume. Very pretty, and easy to collect. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

When Aoi Narinomiya, the last daughter of a prestigious family, discovers that her grandfather has gone missing, leaving her to carry an astronomical debt, both she and her dog, Sakura, are inches away from finding themselves on the street. When her enigmatic classmate Kei Katsuragi shows up on her doorstep to repossess everything her family once owned, Aoi makes a desperate plea for Kei to take in her beloved Sakura--maybe she could at least be spared...?

About the Author Akira Hagio is the creator of the romantic shoujo series The Secret Sakura Shares.
