Aly Fell : The Shadow Glass before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shadow Glass:

0 of 0 people found the following review helpful. Four StarsBy Kurt cobainGreat story and gorgeous artwork!0 of 1 people found the following review helpful. MehBy CustomerGreat artwork; boring, flat and predictable storyI wanted to stop reading after 2 chapters, but told myself to keep going and that maybe the ending would save it. It didnt.Dont waste your money on this.

A young student to England's greatest occultist learns her real father is in league with the devil. When Rose finds out that the man who raised her isn't her father, she ignores his warnings about the terrible secrets of her own past and seeks answers from childhood teacher Dr. John Dee, the queen's occult advisor.
