Andrew Vachss : The Shaolin Cowboy Adventure Magazine: The Way of No Way! before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shaolin Cowboy Adventure Magazine: The Way of No Way!:

1 of 1 people found the following review helpful. Great work by Vachss and DarrowBy KortickThe Shaolin Cowboy Adventure Magazine is a great read. The main story is written by Andrew Vachss who is known for his ususally very serious writings. Here he delves into the humor that does occasionally pop up in his regular novels and short stories. It is interesting to see Vachss focus on the humor while telling the story and not the message behind the writings.Along

with the almost always silent killing machine asian cowboy is his trusty sidekick, the Mule. A mule who likes to drink beer and take Viagra. The mule silently thinks some of the most amusing lines that people do not get to hear but fortunately the reader does. An encounter with a young girl gets to bring in some additional character development and humor. Also the always watching radioactive King Crab (yes really) has some great insights as to all the things going on. There is a second shorter story written by Michael Black that is very good as well. I found this book to be a fun read, its filled with a combo of Vachss humor as well as his gritty, dark side as well. The illustrations by Darrow are excellent and the one page 'ads' are great. As a fan of Vachss this was a great way to experience a lighter side of his writing skills. Highly recommended. 3 of 3 people found the following review helpful. Tongue in Cheek By Stephanie BA great tongue in cheek of the good old days comics. Love the commercial adverts as well as the stories. Once again a total hit right out of the park. Vachss never disappoints me yet in his writing. 0 of 0 people found the following review helpful. It's trying too hard to be funny. It just isn't By Jeremy D Baesler Don't bother with this one. It's trying too hard to be funny. It just isn't.

Best-selling author Andrew Vachss teams with award-winning artist Geof Darrow to revive the spirit and format of the pulp novels of the '30s and '40s. The Shaolin Cowboy Adventure Magazine is the first new hero-pulp to be printed in decades and combines hard-hitting prose with illustrated mayhem. "The Shaolin Cowboy: The Way of 'No Way!'" is a kung-fu gripping tale of high adventure and relentless bloodshed. The Shaolin Cowboy and his trusty mule battle overwhelming odds and inclement weather against enemies thirsting for revenge and retribution in the battle royal to end all battle royals. Plus, decorated-policeman-turned-author Mike Black, Prince Valiant-artist Gary Gianni, and an amazing cover by Scott Gustafson!
