Paul Levitz : The Silver Age of DC Comics before purchasing it in order to gage whether or not it would be worth my time, and all praised The Silver Age of DC Comics:

0 of 0 people found the following review helpful. Includes great pictures of Comics from the time period
By Customer Paul Levitz takes you through the history of DC comics. Includes great pictures of Comics from the time period. Worth a look by any comics book fan.
3 of 3 people found the following review helpful. This is the Best Book on the Silver Age of comic books.
By Steven Michael Brewster This is an extremely beautiful book with its chrome cover and magnificent color throughout. Even non-comic book fans would appreciate it but if you love Silver Age comic books the way I love Silver Age comic books this book is an absolute must have.
1 of 1 people found the following review helpful. Just fantastic!!!!
By Thomas J. Trout This is a great collection of stories from the silver age of DC Comics. I can't say enough good things about it. I loved all the wonderful art and it brought back great memories.

Flash forward: The Super Hero in the Space Age

About the Author Paul Levitz is a comic book fan who has worked as editor/publisher of The Comic Reader, editor of the Batman titles and others, writer of more than 300 stories including an acclaimed run on Legion of Super-Heroes and a DC Comics executive, finishing his 38-year stint with the company as President and Publisher. He returned to writing in 2010 with a new series of Legion stories and other projects.
