It's like watching every episode you missedBy nycgirlDespite being a Simpsons fan, there was a period of time where i did not have a TV (a really long dry spell) which resulted in me missing many episodes of the Simpsons. Many laughs and many jokes that I totally missed out on. Grrr. Due to a busy schedule and lack of recorded back episodes, I turned to the "Simpsons' Forever" and laughed my head off for a play-by-play synopses of each episode. It includes all the subtle jokes, puns, visual plays, and hilarious bits and pieces of pop culture that make the Simpsons so great. This book is truly, truly comprehensive and complete with summaries and notable quotes. I had always wanted to see the "Simpsons in Japan" and with this book, i got to relive all the

laughs of watching it in RL. This book is a great, great substitute for watching a real Simpsons ep--you won't feel like you've missed out. And now after I've finished this book, I have no urge/need to actually watch all those back episodes on my VCR. I'm fully satiated, thanks to "Simpsons Forever". 0 of 1 people found the following review helpful. As a Kid I Loved These Books - As An Adult, Not So Much. By The Art and Making of[[VIDEOID:e59907386d50c2bf17a2ebbacb3376c8]] This book is kind of hard to review. I had all the earlier volumes as a kid and absolutely loved them, re-reading them constantly (and probably owe a large share of my encyclopedic knowledge of the show to them). However, this was before the internet had really exploded with things like wikis etc. and now reviewing the books as an adult I am less impressed and don't really ever see myself going through them again unless for nostalgia. The information is very shallow and essentially all of it can be got just by watching the show. The book really should have been an annotated guide to the episodes with comments and interviews and behind the scenes info by the creators, because as it stands I don't think this is especially useful or interesting enough to warrant your time or money. (For a full flip through and in-depth review, follow the Youtube link on my profile) 0 of 0 people found the following review helpful. A great reference for an artist like me! By Donna Huntriss I had given my copies to my brother - and had started portraits of the "Simpsons-eque" genre so I knew what I was getting when I bought this book. Extensive characters and behind the scenes and little tid-bits of info you may have missed while watching the Simpsons show. Recommended!

Picking up where *The Simpsons: A Complete Guide to Our Favorite Family* left off, *The Simpsons Forever!* brings all the history, tidbits, and cold hard facts on every episode from the past two years, and much, much more. Fans will find the highlights of all the shows from seasons nine and ten, plus eyeballbusting twopage spreads for special episodes (like the annual Halloween show). Heavily packed into these pages are updated favourites like Best Homerisms, Famous Chalkboard Sayings, All New Simpsons Singalong Lyrics, Couch Gags, and classic screen images. And, yes it's all crossreferenced! The ultimate celebration of America's Favorite and longest running cartoon family, *The Simpsons Forever!* is a must!

.com Viewers who acknowledge *The Simpsons* as one of the best shows ever to hit television are doubtless already proud owners of *The Simpsons: A Complete Guide to Our Favorite Family*. But since the show is still in production, that guide is no longer complete. And can you really live a second longer without a full list of last season's blackboard inscriptions? Simpsons creator Matt Groening and editor Scott M. Gimple come to the rescue with *The Simpsons Forever! A Complete Guide to Our Favorite Family--Continued*. It's an exhaustive list of all the episodes of the ninth and tenth seasons, including screen shots, dialogue highlights (Moe, packing for Hawaii: "Ukulele, pineapples, beach pistol, scandalously revealing thong"), and "Stuff You May Have Missed," such as the fact that the motto of In 'n' Out Ear Piercing is "If It Dangles, We'll Punch a Hole in It." There are also brief bios of guest characters (Seor Ding Dong hates Chevy vans), song lyrics (Marge and Homer's version of "Those Were the Days"), and a fond-without-being-icky tribute to Troy McClure. The truly obsessed will welcome the lists: every couch gag of the past two seasons, which actors do which voices, and every single time Homer has said "D'Oh!" for the past two years. *The Simpsons Forever* does a terrific job of catching the humor and spirit of a truly great show. --Ali Davis

About the Author Matt Groening, the creator and executive producer of the Emmy Award-winning series *The Simpsons*, as well as creator of the cartoon strip "Life in Hell" and the animated FOX television series *Futurama*, is the man responsible for bringing animation back to primetime and creating an immortal nuclear family. In addition, Groening formed Bongo Comics Group in 1993 and currently serves as publisher of *The Simpsons Library of Wisdom*, *Simpsons Episode Guides*, *Simpsons Comics*, *Bart Simpson Comics*, *Radioactive Man Comics*, *Simpsons Comics Treasure Trove*, the annual *Bart Simpson's Treehouse of Horror*, *Futurama Comics* and more than 36 comic compilations, as well as many instant classics including *Bart Simpsons Guide to Life*, *The Simpsons Handbook* and *The Simpsons Uncensored Family Album*.
