After each and every new volume I read I'm on Google searching for the release date of the next volume.0 of 0 people found the following review helpful. Awesome ContinuationBy CustomerChaosThis ongoing story is fantastic, and the interesting developments in this volume are no

exception. Highly recommended! This particular issue is a "coming together" story, where some not so pleased characters must team up to accomplish their goals. Great stuff.0 of 0 people found the following review helpful. great bookBy Douglas E. Koschnitzkewestern / horror love the book good read good price have all the books and also the comic books buy

Together, Drake Sinclair and Becky Montcrief hold five of the Six a set of pistols that can rewrite all of creation! This makes them targets for the living and the dead... for the human and the inhuman. As otherworldly spirits align against them, Drake and Becky find themselves trapped at a trading post frozen in a preternatural winter. If the cold doesn't kill them, the hideous beasts lurking in the shadows will!
