**Linda Henry, James D. Henry, James Henry : The Soul of the Physician: Doctors Speaking About Passion, Resilience, and Hope** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Soul of the Physician: Doctors Speaking About Passion, Resilience, and Hope:

This title shares the personal messages from physicians of diverse disciplines and includes a final chapter on taking care of oneself. Emotionally supportive and encouraging, this book sets out to inspire and rejuvenate physicians' mind and soul. An antidote to professional and personal loneliness, this book comprises stories of physicians speaking what's in their hearts. As physicians struggle to deal with feelings of isolation typical of the profession, these stories will help them find a sense of community with their colleagues.
