Osamu Tezuka : The Twin Knights (Princess Knight) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Twin Knights (Princess Knight):

0 of 0 people found the following review helpful. SsBy CustomerThe book itself was great quality, but the story left a lot to be desired. We never get to find out what happened to plastic and the conflict is confusing0 of 1 people found the following review helpful. The first 2 parts were amazing, but this one was a bit boring and ...By MyselfThe first 2 parts were amazing, but this one was a bit boring and repetitive (same gender identity issues, same types of villains (witch and duke...etc.). The story is almost like Sapphire's, but someone else is living it ((((((SPOILER ALERT!!!!!!!!!!!!Her daughter)))))). Also, it did not feel like it was a real sequel. The previous characters felt dull compared to what they were in the original story and they had little effect on us this time. It's like they didn't have a

strong backstory! They were else kinda stupid at times and looked and acted so much older! I'm sure it doesn't take decades to give birth to your first baby/twins LOL. I'd give it a 7/10.0 of 0 people found the following review helpful.
Five StarsBy christopher bassexcellent

A gem from the fifties when the legendary master was most deeply involved in girls' comics, Twin Knights is more than just a sequel to the shojo manga milestone Princess Knight. More close addressing issue of station as well as gender, this one-volume tale has all the antic innocence of the early Tezuka even as it revises the more famous works' premise, doing away with the conceit of "boy and girl hearts" and invoking the vagaries of chance and power in their place.

About the AuthorOsamu Tezuka was born on November 3, 1928, in Osaka. Having developed an intense understanding of the preciousness of life from his wartime experience, Osamu Tezuka aimed to become a physician and later earned his degree, but ultimately chose the profession he loved best: manga artist and animated film writer. Tezuka's work changed the concept of the Japanese cartoon, transforming it into an art form and incorporating a variety of new styles in creating the story cartoon. Osamu Tezuka lived out his entire life tirelessly pursuing his efforts, producing more than 150,000 pages of graphic storytelling before his death in 1989.
