RamirezEveryone should read this RIGHT NOW!0 of 0 people found the following review helpful. Hoping it'll be a nice intro to comicsBy

AlphaPoppaMy 5 year old has lived it so far. Hoping it'll be a nice intro to comics.

Wolverine, Deadpool, Doctor Doom, Thanos: There's one hero that's beaten them all-and now she's got her own ongoing series! (Not that she's bragging.) That's right, you asked for it, you got it, it's SQUIRREL GIRL! (She's also starting college this semester.) It's the start of a brand-new set of adventures starring the nuttiest and most upbeat super hero in the world! COLLECTING: The Unbeatable Squirrel Girl 1-5, along with bonus variant covers.

From School Library JournalGr 58Supervillains and criminals meet their match with Tony Stark's friend Squirrel Girl, aka Doreen Green, a college freshman with the appearance, speed, and agility of a squirrel. Fitting in proves to be challenging, as normal girls do not talk to or have a squirrel sidekick, nor do they have super strength. Then there is Squirrel Girl's roommate, who has a tough exterior and is obsessed with knitting and her cat. Luckily, Squirrel Girl has a knack for winning people over. When Galactus threatens Earth, the heroine must rely on more than strength to defeat the Devourer of Worlds. She may have extraordinary strength, an army of squirrels at her disposal, a collection of Deadpool villain trading cards, and nut-inspired catchphrases, but it is her ability to form connections with people that proves to be her most powerful asset. North and Henderson have created a fun, fast-paced graphic novel that will appeal to Marvel fans as well as readers who are unfamiliar with or do not enjoy traditional superhero comics. Bright, bold color choices fit well with the humorous tone. Squirrel Girl is likable, confident, and endearingthe first scene shows her beating up muggers while enthusiastically singing her self-written theme song. The updated character design, snappy dialogue, and quirky characteristics make her a relatable heroine whom readers of all ages will root for. Also included is the 1991 classic Marvel Super-Heroes #8 comic, in which Squirrel Girl first appears. VERDICT A first-purchase for all graphic novel collections.
