Myers Ryan North and Erica Henderson are a creative team for the ages, and editor Wil Moss deserves an Eisner just for putting them together. I hope they do "Squirrel Girl" for 100 issues (at least), and find something different to do together after that. This is a true all-ages book, smart and funny enough for adults but goofy and wholesome enough for kids. A perfect gateway

comic for anyone who just wants good-natured fun.0 of 0 people found the following review helpful. Unbeatable Collection!By Donovan JonesThe Unbeatable Squirrel Girl is my favorite comic book in the last decade! Fun, lighthearted and hilarious to read, an absolute joy! Collecting the first 8 issues in hardcover, this is the perfect addition to my book shelf. Looking forward to volume two.5 of 5 people found the following review helpful. Highly RecommendedBy The NothingnessThis book is a collection of all 8 issues of the first series of The Unbeatable Squirrel Girl.It is the same as "Squirrel Power" and "Squirrel You Know It's True", but in one book instead of two.This is the complete all-in-one hardcover collection of her first solo series.This book includes all of the front cover art of all of the issues; that includes the front covers of "Squirrel Power" and "Squirrel You Know It's True".Suitable for all ages.The art is adorable and endearing.The stories and jokes are creative and hilarious.The character of Squirrel Girl is positive, friendly, likable, smart, tough, funny and extremely capable.This series is refreshingly original.There is nothing else like it.Reading it is so much fun.I highly recommend it.

Wolverine. Deadpool. Doctor Doom. Thanos. There's one hero who's beaten them all, and now she's got her own book! And to celebrate she's set her sights even higher - much higher. We're talking Galactus! But first Doreen Green, aka Squirrel Girl, is starting college, making new friends, eating nuts and kicking butts, not necessarily in that order! Together with her best (human) pal Nancy, and her best (squirrel) pal Tippy-Toe, and armed only with a tail and some foe fact-filled trading cards, she'll take on villains including Kraven the Hunter, Whiplash and, oh, yeah, the Devourer of Worlds!COLLECTING: THE UNBEATABLE SQUIRREL GIRL (2015A) 1-8, MARVEL SUPER-HEROES (1990) 8, GLX-MAS SPECIAL 1, THE THING 8, AGE OF HEROES 3
