If anyone else has read the rest of his books, this book offers a great addition and finale to the series.0 of 0 people found the following review helpful. Five StarsBy B.A.All the extra stories

collected in one place. Can't beat that. 0 of 0 people found the following review helpful. Great collection of some of the outlier Usage Yojimbo stories By Eric R Great collection of some of the outlier Usage Yojimbo stories, such as the Space Usagi limited series. I haven't read many of these since their original publication decades ago, while in other cases they were stories I had managed to never read at all, so all of the stories were effectively new to me - and all were a delight to read. I particularly enjoyed the too-few painted stories and covers, which had me longing for more such full-color Usagi tales despite having such a long time appreciation of Sakai's mastery of the black white comics artform. Highly recommended for Usagi fans, and a great entry point for new readers as well.

Dark Horse presents the quintessential companion to The Usagi Yojimbo Saga series--Usagi Yojimbo Saga: Legends! This volume collects some of the rabbit ronin's most exhilarating and colorful stories, including Senso, Yokai, and the long out of print Space Usagi! In these breathtaking pages, Usagi takes on a myriad of opponents, including dinosaurs, aliens, and demons, but never loses sight of the warrior's code: truth, honor, loyalty, and sacrifice. By comics master Stan Sakai! Includes stories not included in The Usagi Yojimbo Saga, including Space Usagi, which has long been out of print! Complete your set--this is the essential companion to The Usagi Yojimbo Saga! 540 beautiful pages, including a breathtaking color section!"I don't think there's much that I could write about Stan Sakai's masterwork series that hasn't been said . . . you are going to fall in love with this world, with this storyteller who will keep you guessing and enthralled." --Fanbase Press "This is the definition of a timeless work of art." --Multiversity Comics "[Stan's] work seems both effortless and worked over; he is a true master of comics." --Multiversity Comics

About the Author Stan Sakai was born in Kyoto, Japan, grew up in Hawaii, and now lives in California with his children, Hannah and Matthew. He received a fine arts degree from the University of Hawaii and did further studies at the Art Center College of Design in Pasadena, California. His creation, Usagi Yojimbo, is the story of a samurai rabbit living in a feudal Japan populated by anthropomorphic animals. It first appeared in Albedo Comics in 1984. Since then, Usagi has appeared on television as a guest of the Teenage Mutant Ninja Turtles; and as toys, on clothing, in comic books, and in a series of trade paperback collections. In 1991, Stan created Space Usagi, the adventures of a descendant of the original Usagi, dealing with the samurai in a futuristic setting. Stan is also an award-winning letterer for his work on Sergio Aragon's Groo: The Wanderer, the Spider-Man Sunday newspaper strips, as well as for Usagi Yojimbo. He is the recipient of a Parents' Choice Award, an Inkpot Award, multiple Eisner Awards, two Spanish Haxturs, an American Library Association Award, and a National Cartoonists' Society Division Award. Usagi Yojimbo Book 12: Grasscutter was used as a textbook in Japanese history classes at the University of Portland.
