Great Intro to the Valiant Universe By Customer This was my first foray into the Valiant Universe and I think its a great place to start if you're looking to get into it. First of all the art is great! Rivera is a one of a kind artist who I wish did more books. Secondly the writing is great. You'll fall in love with the Eternal Warrior, Bloodshot, and the Geomancer as you follow them through the crisis. The villain is also terrifying. Absolutely loved this book! 0 of 0 people found the following review helpful.
