Robert Kirkman : The Walking Dead 2017 Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Walking Dead 2017 Calendar:

1 of 1 people found the following review helpful. All Hell Is About To Break Loose By J. Hill The Whisperer War is on, and it looks like it's going to be devastating. In Part 1 of 6, we see the results of Negan's return to Alexandria with the head of Alpha. No matter what he does to help out Rick, you can't shake the feeling that he's an insidious presence in Alexandria, biding his time while masterminding a grand scheme to rip the very guts out of Rick and the people he loves. Maybe not, but it sure seems like it when he confidently tells Dwight that he will soon willingly return Lucille to her rightful owner, and as he manages to make real progress toward gaining some trust. Kirkman has already established the Whisperers as one of the most formidable threats of the whole series, and they now are ready for a full-on battle with Rick's army, with Negan holding the wild card. It's going to be torturous waiting this storyline out for five more months, so hopefully it pays off as satisfyingly as it has started. 2 of 2 people found the following review helpful. Good but better be great moving forward By Theadora Exciting but kind of what I was expecting to happen. Here's hoping that this doesn't end up being the same recycled story again. Don't let me down, Walking Dead. Please blow my freaking mind with a genius and original plot twist. 0 of 0 people found the following review helpful. Call to arms By Kindle Customer Everyone is rallying. Rick is seeking out more allies. He's keeping both eyes on Negan. He misses being in the fray—Rick is older, walks with a cane, the years haven't been kind to him. Carl and Lydia want to be apart of the action, but Maggie and Andrea don't want them involved and I don't blame them. Carl is too smitten and blinded by Lydia who I get bad vibes from. Dwight, Michonne, and the others warrior up once again, ready for action.

ROBERT KIRKMAN's THE WALKING DEAD by Skybound is one of the most popular comics of all time. Show off your love of THE WALKING DEAD all year long with the new 2017 calendar featuring images from the comic, as
