The best of the last 20 years in comics!By Nick RicciIf you are considering purchasing this book, I assume you are already familiar with the Walking Dead. This hardcover collection is my favorite way to read and collect the series. It saves so much room versus buying single issues or the trade paperbacks. The beautiful hardcover protects the stores and ensures they will last for a while. Each volume contains 12

comics as well as some rare artwork and commentary from Robert Kirkman and Charlie Adlard. I love how these look on my shelf and I would recommend them to ANY Walking Dead fan, whether you are brand new to the comics, or already own single issues or trade paperbacks.....these are THE way to collect, read, and enjoy them!! 1 of 1 people found the following review helpful. The Walking Dead By TrueTimmy The Walking Dead - ! ! :)). ! !-----Series The Walking Dead - it's just something! In contrast to the comic series is much more interesting and more hooked! After reading the first volume you want to just read all the other volumes without interrupting :)). Personally, I liked the comic book and I look I will wait for the next release! I advise everyone to reading! Best Regard! 1 of 1 people found the following review helpful. I watched the TV show first (caught up as of 3/6/2016) before reading and holy crap these are awesome By Jon C. I've purchased all volumes up to 22 and the TV show has just about caught up to wear I am in the novels. These books are friggen awesome. I don't read much and my buddy lent me VOL 1 after he knew I liked the show. Well, I burned through the first one and then just went on a tear buying 4 volumes at a time...the price is pretty good for what you get out of these. \$9-\$15 is the range I've paid per novel, I'm not sure why they aren't the same but anyways, I keep buying them none the less. The story was written before the TV Show and the show follows the story but there is some differences. The written story is more violent and graphic then the tv show but the tv show does a decent job of sticking with main ideas. I've noticed that certain plot things that happen in the book also happen in the show but there is a unique twist like a different character it happens to or something like that. Which makes reading these volumes great cuz I have some idea of where the story is going (after having watched all tv episodes) but there are still surprises. If you like the TV show and haven't read these, give it a try and you will get a whole new experience of the Walking Dead story. I'm putting this same review under every volume I've purchased (1-22) so people can see it. go buy these!

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. Rick discovers that there are communities of survivors nearby, and begins to explore a larger world. Reprinting issues #91-96 of the Eisner Award-winning series, The Walking Dead.
